

Need a Career Makeover?

Ladies, take time off to invest in your career and take charge of your professional destiny!

This seminar offers career planning and management from a unique woman's viewpoint. Reinvent yourself, create your own career pathways, and stay on top of your game!

Just how long does a career makeover take?

How much time are you willing to invest into your career? Chances are, you have already invested a lot into your career. Everyday, you are expending time, energy and effort to make your career work.

What if you could have a career makeover in just **half a day**? Now you can!

This special designed half-day seminar to get you started on your career makeover. At this seminar, you will:

- Discover your **personalized inventory of career strengths** and how you can build upon them
- Gain **fresh new perspectives** on your career pathways
- Learn **new strategies** for achieving work-life balance and fulfilling your dreams

Don't come alone!

Don't even think twice --- Your career is definitely worth the investment!

Take advantage of our early bird special and signup today!

Make it an all-girls outing by signing up with your friends!

Guys, sign up for your wife or sister, and invest in the women in your life. Trust me, they will love you for it!

Tough Times don't last, but Strong Women do!
